

PowerSchool Online Enrollment Q & A for the 2021-2022 School Year at SVCS

We are excited to announce online enrollment for the upcoming 2021-2022 school year! We are hopeful this process will streamline information and this replaces the paper forms sent home at the beginning of each school year.

How do I get started?

Use the snapcode link sent in your notification email.
Select the Registration link.
Then, enter your student's snapcode.

What's a snapcode?

The snapcode is like a key to your child's file for the upcoming school year. You should receive a unique snapcode for each child.

Should I create an account?

- If you have never completed an online enrollment, you should create an account. This allows you to securely save your work and come back later, if necessary. You can use your email address or cell phone number to retrieve the enrollment form.
- If you already have an account, you can sign in and complete the form. (You should use the same account to complete forms for multiple children.)

Do I have to answer all the questions?

No, but some questions are marked "**Required**" and must be answered before you can submit your form. Documentation such as birth and baptismal certificates should already be on file with St. Veronica Catholic School upon acceptance. Health forms that have already been submitted to the clinic will be required to be current prior to the first day of school for the 2021-2022 school year.

What if I make a mistake?

If you would like to make a change, select the underlined field or choose "Prev" to return to a previous page.

I've completed the form, now what?

When you have finished entering your information, select "Submit." This will

send all of the information you have entered to the school. If you cannot select this button, you will need to make sure that you have answered all required questions.

What if I have more than one student in the school?

Do I need to do this for each child? Yes, because you will need to provide information that is specific for each child. We recommend that you submit one enrollment and then start another – this will allow you to “snap over” shared family information, which will save you time.

Help! I’m having technical difficulties.

Enrollment Fee Form.

Each family either returning or not to St. Veronica Catholic School will need to fill out the Google form for your financial commitment to our school for the 2021-2022 school year.

I don’t know what a question is asking.
